## A Word from the Co-Director

From someone who grew up here at Spotlight, thank you so much for supporting youth theatre! Your patronage is what allows us to continue sharing the joys of performing with youth all over the Valley.

This cast is incredibly talented and it was a privilege to work with all of them. *Peace, Love, and Cupcakes* speaks to the important notion that we should embrace our own differences, as well as the differences of those around us. Achieving peace is only possible when we understand and respect others. Doing this is nearly impossible until you respect yourself. Until we recognize the “monsters” inside ourselves, we can’t share a world of acceptance with our neighbors.

Heather Walker, Bella Swope, and I sincerely hope you enjoy the show.

Lastly, and most importantly—Get out there and share your cupcakes, love...PEACE!

Callista Walker

## Help Keep Our Kids in the Spotlight!

### *A Word from Our Artistic Director...*

What you don't see (but might have been involved with in some way) is the incredible journey that the actors and their families take while getting onto the stage. The wonderful experiences are too long to list, and are always in progress.

That is what makes Spotlight unique: the sense of community and love off of the stage. Everything we do is for the families and kids that participate.

We have no adult theatre to follow, and no city or big corporation to support us. The reality of the business of theatre is that the odds are against us to survive, and we are continually struggling with finances. We have volunteers and board members working endlessly to keep the theatre solvent and open. Sometimes we need more help.

We are asking for 100 people to donate \$100 (the price of one night out at Cheesecake Factory) to help us get through a very rough time. Whether your kids are grown up and moved on or you have future thespians, we hope that you can help and also spread the word.

If you need to talk with me please, do not hesitate to call, email or text me.

Thank You,

**Kenny Grossman**

Spotlight Youth Theatre's mission is to provide youth and their families a safe, welcoming environment where the individual is supported, teamwork is embraced, and creativity is encouraged through high quality performing arts and educational programs that enrich and strengthen our community.

Spotlight Youth Theatre's vision:

1. A program grounded in the belief that every child deserves a chance to shine, a place that is safe and free from negativity, and an environment where fun and hard work combine into amazing experiences, both on and off stage.
2. A theater program that is as diverse as the community we serve and where all members of the family can join in the endeavor to produce high quality theater productions that amaze and entertain.
3. A community theater where the impossible becomes possible through the combined efforts of our families, our sponsors, and most of all, the children who shine onstage.
4. A place where a child can be their authentic self, exploring the creative arts without fear, and be embraced and encouraged to grow and flourish.

Spotlight Youth Theatre's 2021–2022 season is supported in part by the Arizona Commission on the Arts, which receives support from the State of Arizona and the National Endowment for the Arts.

Spotlight Youth Theatre's 2021–2022 season is supported in part by a grant from the City of Phoenix, in coordination with the Phoenix IDA, who offered grants up to \$10,000 to local small businesses and nonprofits experiencing economic distress and loss of revenue due to the pandemic.
